FAQ:

Q: Can we have a service?

A: Absolutely! All interments are scheduled Monday – Friday from 10am – 3pm. A member of HCC staff must be present to oversee the interment.

Q: Can we drive into the cemetery?

A: Not typically. For KOA burials, we don't typically close to other dog visitors. There are additional fees if you wish to have the cemetery closed for a private service, allowing cars to drive in.

Q: Where will we have the service?

A: At the KOA site, a small table is provided. If you wish to rent the chapel, additional fees will apply.

Q: How much time for the service?

A: We would anticipate the time it takes to gather everyone together at the main gate, walk down to the site, say a few words, place remains, and finalize the site to take no more than 1 hour.

Q: Can our guests bring dogs?

A: Yes! Any non-K9 Corps members will need to sign a waiver. Just provide their email and staff will send them their paperwork; we'll exempt the day fee for the date of the service. We highly suggest keeping dogs attending the service on a leash to lessen distraction.

*Limit 4 non-K9 Corps member waivers granted.

Q: Can we cancel if weather is poor?

A: Unfortunately, no. It takes time to prepare the site ahead of time - unless weather is deemed unsafe, we would anticipate continuing with the service. Please dress appropriately.

Q: Do you only allow dogs to be interred at KOA?

A: We welcome any pet that received love and care. We only require that cremation has taken place before the remains are interred at KOA.
